eastern paupers, and a refuge for stolen beings could not live in them; in fact, some have, during the entire season thus far, occupied only canvas tents; and it amble of the committee, but he thought that of Mr. Stearns expressed all that was necessary, and would find no opposition from free State men, while he thought some persons might object to that of the holders; and should Kansas be made a Several other persons made remarks. free State, Missouri will then be sur-

> Col. Safford; which amendment was re- tain. Landed property would also, by the force of circumstances, become valueless, on account of the fact that it would all

ED. HERALD OF FREEDOM: Please send me your valuable paper. We Hoosiers are quite anxious to hear from your young

turned with fraternal interest. The South claims it as its own ground, for the ado tion of those principles which are so detrimental to humanity and the progress of republican institutions, while the North is aroused with an undying sensation, which will not pass off until it sees the proud banner of human freedom substan-

vance in arts and scie
